WHAT IS RACHEL'S HOME?

Rachel's Home is an orphanage for Aids orphans with a school that was built by Central in 2009. Our church sponsors the orphanage by supplying food and clothes for the children that are in the orphanage. We also provide medications, school uniforms and supplies, and salaries for caregivers and teachers.

Rachel's Home provides a safe, loving and nurturing home for children who would otherwise be abandoned on the streets of Maputsoe. Where it is possible, the children are reunited with family. Where that is not possible, the children are raised in a caring, Christian home at Rachel's Home. The children receive a quality primary school education and when it's time to move on to secondary school and beyond, our mission, the Lesotho Education Mission, continues to carry them through.

Graduates from Rachel's Home have gone on to become everything from nurses and child psychologists to accountants to skilled tradesmen. The orphanage itself was founded and is managed by Hilda Seforo from Maputsoe. Hilda is a university educated child psychologist, and she is giving these children a fighting chance at a future.

We have been supporting Rachel's Home and the young people who graduate from there as they pursue secondary and post-secondary education for over 15 years. Central Church is their primary supporter. Without our support, they would struggle to keep the doors open.
